ONLY ONE CONTEST CALLED OFF DURING WEEK FOR SCHOOLS

Tech and Business Forced to Lay Off Today, While Central and Eastern Play.

By BRYAN MORSE.

There will be but one postponed high school championship game this week if the plans of the faculty advisers carry. Today Eastern and Central will play their scheduled contest on the Monument Grounds on the diamond north of the municipal bathing pool. The Tech-Business contest has been indefinitely postponed.

Base games will be played on Friday, but Saturday morning Business and Eastern are scheduled to play on the Monument Grounds while Western and Central will play in the afternoon either at Brookland or Georgetown. Negotiations are under way for the use of one of the college diamonds for the Saturday afternoon contest.

The faculty advisers got together yesterday for a meeting and accepted the offer of the Maryland Agricultural College for the use of the field at College Park for the annual championship field and track games to be held May 20. The time of starting was set for 9 o'clock.

The present schedule of baseball games will be played during the week provided there are no postponements of the Shakespeare celebration which will start today and continue until Friday afternoon.

The line-up for today follows: Central—Roberts, centerfield; Marbury, catcher; Belcher, shortstop; White, first base; Cook, left field; Gottleb, pitcher; Beck, right field; Latham, right field; Blake, center field; Tomlin, pitcher; Flaherty, catcher; Smoot, left field; Newman, third base; Boteler, second base; Litchfield, first base.

Catholic University will meet Villanova today in what is expected to be a closely contested game. The Catholic University line is more than anxious to complete a successful season with a win today, as it is the last home game for the Brookland team. The Navy will be played tomorrow afternoon at Annapolis.

The Army and Navy Preps are slated to oppose the Alexandria High School line at Connecticut avenue today. The Preps have lost several good players, but are setting along nicely with green material.

Central's tennis team has come to the front rapidly under the tutoring of Lou Doyle. Selden is said to have improved greatly since Doyle took hold of him and the Central players as a whole have created a fine record on the courts this season. The recent defeat of Tom was a big feather in Doyle's cap.

Today's high school game will be the first of the series to be played on the Monument Grounds. In order to play twenty games it was necessary to obtain the use of these diamonds. Twelve games have been carried for the White Lot, and the real battle for honors will start today. Central is expected to win although Eastern has shown itself capable of putting up a great scrap.

Two Washington boys, Ed Flaherty and Ed Kelly, at Dean Academy, are doing much to land the green school title for their school. Dean has defeated St. Anselm's, Tufts second, Brown second, Harvard freshmen, Holy Cross second, and several other schools. Flaherty is a Washington boy whose brother, Leo, is now catching in for Eastern. Kelly will be remembered as pitcher at Business two years ago. Harry Harris, another Business boy, is playing on Dean Academy.

Bill Handiboe probably will handle the indicator in today's schoolboy game. Both Handiboe and Kelly have been unusually successful with the games this season, not a kick being registered against their decisions.

Robinette Re-elected Leader of Rowing Men

Washingtonians, Claude Zappone and John J. Nolan, Are Chosen on Regatta Committee—Races Will Be Held Here Labor Day Afternoon.

John H. Robinette, of the Arundel Boat Club, of Baltimore, was re-elected president of the Middle States Rowing Association at the annual meeting held in New York city Saturday night.

It was decided at the meeting that the annual regatta of the association would be held on the Potomac river course on Labor Day. The Potomac Club was the only applicant for the event.

The annual regatta of the Middle States Rowing Association will be held on the Potomac river course at Washington on Labor Day, September 4. The Potomac Club was the only applicant for the event at the annual meeting of the organization at the New York Athletic Club Saturday night. The events which will make up the program will be decided upon at a meeting of the regatta committee at the Potomac Club in Philadelphia on the morning of July 4. The regatta committee includes Claude Zappone, chairman, Potomac Rowing Club, Washington; Harry P. Burke, Malta Boat Club, Philadelphia; J. B. Henderson, Columbia Boat Club, Pittsburgh; R. R. Struck, Woodcliff, N. J.; Rowing Club, C. D. Bergen, Metropolitan Rowing Club, New York; John J. Nolan, Potomac Rowing Club, Washington; and Charles Salinger, Fairmount Boat Club, Philadelphia.

It was expected at the meeting that

Pittsburgh and Buffalo would make application for the annual event, but on account of the rowing conditions in both of these cities neither club made application. Two clubs withdrew from the organization. The Staten Island Club was forced to resign because its clubhouse was burned some time ago, while the Nauticus Boat Club, of Brooklyn, resigned temporarily on account of lack of funds. The Nauticus Club hopes to take part in next year's regatta.

This year there will probably be fewer events and stronger entries in the events scheduled. The distance of all races will be one mile. The clubs represented at the annual meeting were: Arundel, Baltimore; Columbia, Pittsburgh; Fairmount, Philadelphia; Malta, Philadelphia; Metropolitan, New York; New Rochelle, New York; New York Athletic Club, Philadelphia; Potomac, Washington; Woodcliff, N. J.; Rosedale, Hoboken; Harlem, New York; Bohemian, New York; Atlantic, Hoboken; Union, New York, and Ravenswood, Long Island City.

The other officers elected were: Vice president, J. Elliott Noonan, Philadelphia; Barge Club, secretary-treasurer, C. Fred Muller, Philadelphia; Recording secretary, Harry Lauer, Metropolitan, New York. The treasurer reported that the organization had on hand a balance of \$68.

The next annual meeting will be held in Philadelphia.

Yale Varsity Crew Is Given Shake-up

NEW HAVEN, Conn., May 9.—Significant changes were made in the Yale varsity boat yesterday by Coach Nickalls. Fitzpatrick, at 6 in the second boat, was put in at 6 in the first boat.

Cord Meyer, who rowed at 6 in the varsity last year and up to date in the same position this year, was changed to 4 in the varsity. Sheldon, at 4 in the varsity for two years, was sent to 4 in the second crew. Kozitsky was changed from 4 to 6 in the second eight.

In a three-minute row test on the Housatonic right after these changes the second eight was ahead half a length at the finish. The changes are experimental. Payne Whitney, 96,

MUNICIPAL PLAYERS PUT OFF ORGANIZING

Limited Time to Make Arrangements Is Reason Given Today by Lou Doyle.

There will be no attempt to organize local municipal court tennis players this year in time to qualify contenders for the national municipal court championships in St. Louis in the fall. Definite announcement of this decision was given this morning by Lou Doyle, secretary of the Washington Tennis Association.

The limited time—the organization would have to be effected by June 15—and the fact that practically all available dates of the Departmental League players, which comprise a large proportion of the city court racquetters, have been already taken up by the interdepartmental schedule, are put forward as the reasons for postponing the organization until another year.

In 1917, it is proposed to make allowances on all municipal court schedules for dates for a local qualification tournament, to select a single representative and a doubles team to compete in the sectional championships, preliminary to the national tournament.

An announced before, the country, under the new National Municipal Athletic Association, is divided into ten sections, along the lines of the U. S. N. L. T. A. divisions, the District of Columbia falling into the middle Atlantic section. The object of the organization is to extend official recognition to the thousands of tennis and golf devotees who depend on the various city facilities for the enjoyment of their favorite sport.

Dwight F. Davis, donor of the famous Davis International trophy cup, is one of the most enthusiastic advocates of a nation-wide campaign for the development of municipal court players. It has been felt for a long time by those in close touch with the game, that there was a great quantity of high-caliber talent among the legion of city court performers, lying dormant for lack of suitable opportunities of development.

A certain official status or backing, so necessary to success in the inner circles of the tennis world, has deprived the municipal court players of the opportunity to compete in frequent tournaments. A certain official status or backing, so necessary to success in the inner circles of the tennis world, has deprived the municipal court players of the opportunity to compete in frequent tournaments.

The new association makes ample provision for tourney play, and provides the long-misled "official" standing. There is but little doubt that another year will find Washington a member of the organization.

Offers Fat Purse To Welsh for Bout

World's Lightweight Can Have \$25,000 for Twenty-Round Scrap With Leonard.

NEW YORK, May 9.—Billy Gibson, American representative of the Buenos Aires government, which will promote a big boxing carnival in July, yesterday offered Freddie Welsh, lightweight champion of the world, \$25,000 to defend his title in a twenty-round bout with Benny Leonard in the Argentine metropolis. Gibson will leave on Saturday for Buenos Aires, and expects to have a reply from Welsh by Thursday. He also hopes to have the signatures of some of the best boxers in the country, to contracts calling for their appearance in Buenos Aires during the boxing carnival.

Gibson had made big offers to Charley White, of Chicago; Mike Gibbons, of New York; Jack Britton, and a number of other good boxers, and said last night that many of them would make the trip to South America.

Owing to the pressure of his business in connection with the Buenos Aires bouts Gibson has been compelled to resign as matchmaker of the Stadium Athletic Club, in the Manhattan Opera House. Announcement was made by the club last night that his place will be taken by Scotty Mantlieth, manager of Johnny Dundee and Leo P. Flynn.
